The jetStamp graphic 970 is a hand-held inkjet printer that marks documents and or products simply and quickly. In addition to number, date, time and text, this device can also print graphics and barcodes. With the MP ink, it is also possible to print on non-absorbent surfaces such as metal and plastic. The 970 is mobile, handy and easy to operate and program. It comes complete with its own software and weighs just over 1 pound.

Description

- Number, date, time, text and graphics and barcodes
- Automatic advancing numbering and dating barcode
- Up to four different print images can be stored in the 970
- Print image can be created simply and quickly at the PC and transmitted via USB or Bluetooth
- Since the 970 is operated with rechargeable batteries, it can be taken to the goods to be marked quickly, easily and on the go
- Your choice of regular ink for paper or cardboard or our specially formulated MP ink for marking on non-absorbent surfaces such as metal and plastic
- The MP ink dries quickly, is smear resistant and is great for marking consumer products such as food packaging and bottles
- Max. print area dimensions: (W x H) 65 mm (2 ½") x 12.7 mm (½")
