Take advantage of the new independence: speed-i-Jet 798 is the solution when you need to print individual text, consecutive numbers, date and time, and still remain mobile! You can print on any absorbent surface smooth or irregular.

Description

- Pocket format, easy to carry
- Prints up to 40 characters in one line
- Define the texts, date, time and/or numbering on your PC, and transfer your message via the USB cable
- Adapts to left- or right-handed users
- Noiseless operation
- Just press the red button as you slide the pen across the paper
- Great for hospitals, doctors' surgeries, warehouses, insurance companies, QS-Systems, and field service whenever portability is important
