Space Saver

The Fri-Jado Space Saver is a prime example of effective use of floor space. By combining a TDR 5 rotisserie and a MDS 2 self-serve grab-and-go merchandiser, you save valuable floor space.

The rotisserie's appetizing chicken theatre will whet the appetite of any customer. The fact that customers can take the products from the MDS 2 self-serve themselves will lower buyer thresholds even more. Double output on a single spot. Success guaranteed!

Double output on a single spot
