

# In-store impulse-generating merchandiser

Multi Deck 60- 4 level

**With the upright, self serve Fri-Jado Multi Deck, your customers can pick up delicious, hot pre-packaged snacks and meal solutions practically anywhere in the store. It features four levels, which allows you to stock numerous products and reduce the need for re-stocking.**

Hot air is being blown from the front of the shelf and circulates within the shelf surface resulting in an optimum air circulation around the hot product.

Large glazed walls creating a 180-degree view and products at eye-level in an appealing design create an outstanding product presentation and boost impulse sales.
